

## Celebrate Recovery

Celebrate Recovery is a Christ-centered, Bible-based recovery group intended to help all persons recover from the hurts, bad habits, and hang-ups that accumulate as part of life. It features eight recovery principles from Jesus' Sermon on the Mount and the 12 Steps with scriptural support for each principle and step. The program consists of 25 lessons conducted over the course of a year. The Basking Ridge CR group will begin in person meetings again on Thursday evening, September 30, at 7 pm at Covenant Chapel, 127 W. Oak St, Basking Ridge. It meets every Thursday evening. You are welcome to attend. Our own Pete Peterson is the Ministry Leader for this group.
